

VARDHMAN POLYMERS
Protecting Your Buildings!

Your special partner for coating and construction solutions

Vardhman Polymers is the distributor of the industry's leading suppliers. **Contact Us!**

Epoxy Resins, Hardeners & Reactive Diluents

Acrylic Polyols, SCA, TPA & TSA Resins
Castor Oil based Polyols (for flooring)
Unsaturated Polyester Resins (for Putty)

Liquid and Clay Based Additives
Micronised Waxes, Wax Emulsions & Dispersions
Color and Appearance Instruments
Physical Testing Instruments

Synthetic Iron Oxides, Umbers & Transparent Oxides

UV Absorbers, Light Stabilizers & Antioxidants

Universal Machine Colorants
Colorants for Industrial, Architectural & Thermosets

Fumed Silicas
Organosilanes
Crosslinkers (IP, IPD, IPDI, TMD etc.)

Opacity Pigments (Partial Replacement of TiO₂)

Cyclohexane, Cyclohexanone & MEK Oxime

IMERYS

Calcined & Hydrous Kaolin

2-Octanol (Capryl Alcohol)
2-Octanone (Methyl Hexyl Ketone)

ADVANCELL EM - Thermo-Expandable Microspheres

MHEC, HPMC

Re Dispersible Polymer (RDP)
XSBR Latex Emulsions
Acrylic Emulsions

HEC, MHEC, HPMC

TOSOH

Silica Matting Agent

Silicone Emulsions & Additives, pH Controller
Water & Stain Repellents

Other
Products

EDA, DETA, TETA, TEPA
Titanium Dioxide - Rutile
Alkyd Resins

GREEN BUILDING CONCEPT, IN TURN TO SEE GREEN INDIA.

VARDHMAN POLYMERS

Protecting Your Buildings!

Additives for Decorative Paints

SILERS BS 168
SILRES BS 333
SILIRES BS 1306 / SILRES BS 1310
SILRES BS 43 N / SILRES BS 45 / SILRES
BS 6120 / SILRES BS 6042
ANTIFOAM SE 227
SLM SE 3646 M

Odour free, VOC free, Amine free pH Neutralizer
Silicone based easy clean additive for WB paint
Silicone based water repellent additive for WB paint

Silicone Binder for water-based paints-SREP

Silicone based antifoam for mid to high PVC water-based paint for grind stage
APEO free, mineral oil and poly dimethyl siloxane based defoamer for water-based paint

Additives for Façade Protection

SILRES BS 16

SILRES BS 30

SILRES BS 38

SILRES BS 290 / SILRES BS 295
SILRES BS 710
SILRES BS-1042

SILRES BS 1311

SILRES BS 3003

Potassium Methyl Siliconate based impregnating water dilutable water repellent

Impregnating mixture of silane siloxane exhibits hydrophobic and oleophobic properties along with an enhanced colour

Impregnating mixture of silane siloxane and fluoropolymer exhibits hydrophobic and oleophobic properties

Silane Siloxane based impregnating solvent dilutable water repellent

Poly Organo-Siloxane based anti-graffiti additive

Potassium Di-Methyl Siloxane based impregnating water dilutable water repellent for glass wool mat of rock wool mat

Silane Siloxane based impregnating water dilutable microemulsion water repellent

Silane Siloxane based impregnating water dilutable emulsion for water repellent property

Additives for Floor Coating

SILRES BS 6920
GENIOSIL GF 9

Silane-Terminated Binder for the Impregnation of Cementitious Floorings
Curing agent for SILRES BS 6920

Additives for Dry Mix

SLM BS POWDER G

Silicone based powdered water repellent for gypsum plaster & renders

SLM BS POWDER P

Silicone based powdered water repellent for cementitious material and wall putty

Additives for Concrete

SILRES BS 7090

Self-emulsifying siloxane-based additive for in-situ application of cementitious material like paver block and concrete

Additives for Wood Coating

SILRES BS WH

Silicone based water repellent for wood exposed to external environment

SLM 68100

Silicone based water repellent for wood
